ATTO Technology Expands European Reach with Dakel Partnership in Spain

Dakel to Make Available ATTO's Full Portfolio of High-Performance Storage and Network Connectivity Products to Spanish Markets

Amherst, NY (March 5, 2025) – ATTO Technology, Inc., a global leader in network and storage connectivity solutions, announces a distribution agreement with Dakel that brings the full ATTO high-performance storage and network connectivity portfolio to Spain.

Dakel, based in Cerdanyola del Vallès, Catalonia, has over 30 years of experience delivering professional IT solutions tailored to enterprise needs. Specializing in servers, storage, and industrial connectivity, Dakel designs custom systems for performance, scalability, and reliability, backed by a team of technical engineers who certify every solution for client-specific environments. Their expertise spans virtualization, data centers, and high-availability infrastructure, making them a trusted partner for businesses across Spain.

Through this partnership, ATTO joins a roster of industry leaders leveraging Dakel's deep market knowledge and technical prowess to meet the growing demand for advanced connectivity solutions in Spain's media, IT, and industrial sectors. The agreement covers ATTO Technology's entire lineup, including Celerity™ Fibre Channel HBAs, XstreamCORE® Intelligent Bridges, FastFrame™ Ethernet Network Interface Cards, ExpressNVM™ Smart NVMe Switch Adapters, ExpressSAS® SAS/SATA Host Bus Adapters, and ThunderLink® Thunderbolt™ Adapters.

"Dakel's proven expertise and established presence in Spain make them an ideal partner for us," said Tim Klein, president and CEO, ATTO Technology. "We anticipate a highly successful collaboration."

"We're excited to bring ATTO's cutting-edge portfolio to our clients," said Manel Espinosa, Sales Manager, Dakel Informática. "Their products fit perfectly with our focus on high-performance, reliable IT solutions."

This move further strengthens ATTO's European presence, addressing surging demand across Spain's film, television, education, enterprise, gaming, healthcare, and industrial markets for advanced storage and network connectivity solutions.

Most ATTO Technology products will be available through Dakel's industrial connectivity offerings at dakel.com/otros-productos/conectividad-industrial.
